FR. JACK'S CHUCKLE

A car accident occurred in a small town. A crowd surrounded the victim so that a newspaper reporter couldn't manage to get close to see him. He hit upon an idea. "I'm the father of the victim!" he cried. "Please let me through." The crowd let him pass so he was able to get right up to the scene of the accident and discover, to his embarrassment, that the victim was a donkey.
