CARE FOR CREATION THOUGHT FOR THE WEEK: Laudato Si - the Pope's message to the world about caring for creation makes it clear that we are to do all within our circle of influence and using our unique talents to care for the earth - our common home. In Alberta, a mere 16% of waste is being diverted from landfills. Does that surprise you? Would you be willing to make one small change to help the planet? Maybe you could carry your own grocery bags or stop using bottled water. Choose one thing and commit to doing it for the rest of the month.
